

Sustainability and City Systems Project
REFLECTION

GROUP NUMBER: _____

CLASS: _____

NAME: _____

Instructions: This is an individual assignment. Complete this worksheet after your project is finished. Reflect on what you learned and how you worked as a team.

1. What did you enjoy most about working on this project?

2. What was the most challenging part of the project?

3. How well do you think your team worked together?

4. What did you learn from this group project about working with others?

5. What did you learn about city systems and sustainability?

6. If you could change something about your project, what would it be?
